

AUDITION CHECKLIST

When you arrive, members of the ANNIE casting staff will lead you through the check-in process. We plan to make the process as speedy as possible, but feel free to bring books, toys, electronics (please bring headphones for anything with sound) and other activities to keep you entertained while you wait to entertain us.

The most important thing is to have fun!

Please be sure to come prepared with the following:

- Headshot and Resume, stapled together back-to-back**
If you do not have a headshot, bring a current photo with as much information as you can tell us about yourself.
- Sheet music for the song you'd like to sing**
If you do not have any sheet music, you can sing Happy Birthday. First, you will be asked to sing acapella. Then, if you are called back, you'll be asked to sing the same song with piano accompaniment.
- Snacks and beverages to stay energized**
- An outfit you feel comfortable in that shows off your personality**
Please do not come in costume
- A pen or pencil and a pad are always useful in case you want to write anything down**
- An adult to stay with you throughout the audition process**
- Your smile (remember you are never fully dressed without it)**

**Come warmed-up to sing, and ready to go.
We look forward to seeing you!**
